

**Our Vision**

To be recognized as an international market leader in closet manufacturing and to offer quality and innovation to our clients.

**Our Mission**

To deliver best quality products via a high caliber professional team using international best practices.

**Our Values**

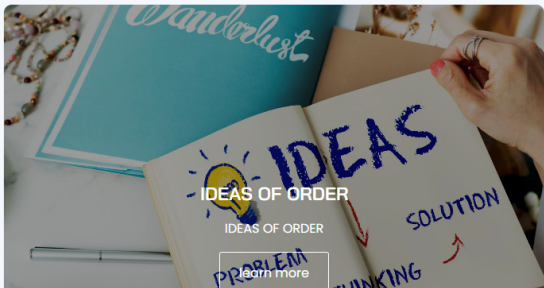

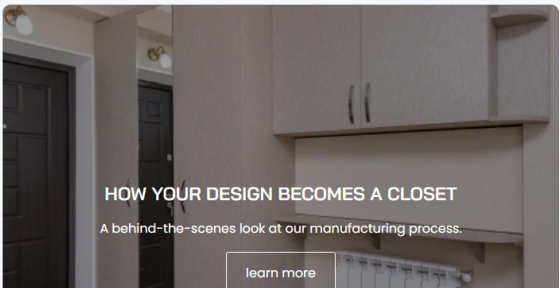

Excellence, integrity, Innovation and Professionalism.

**ABOUT QAF**

**We love to design Closets filled with life, Closets that are passed through generations.**

QAF was founded to introduce design solutions and products for appealing interiors that can be just as affordable and durable. We love to design Closets filled with life, Closets that are passed through generations. Be it the design of your closets, or kitchens cabinetry and layout, we have what you need.

**DESIGN TO YOUR BUDGET**

The cost of your storage solution is driven by the complexity of the design and materials you choose. We can design the perfect solution for your lifestyle and budget.
